410 and 450 Series Holders/Stops

Concealed Overhead Door Holders/Stops 410 SERIES

Features

- Non-handed
- Improved Compatibility with Door Closers
- Single/Double-Acting Doors
- Interior Applications

Application

Glynn-Johnson 410 & 450 Series holders and stops are designed for medium-to light-duty applications. They're ideal for openings that are subject to normal activity, providing protection for the door, frame, hinges, and surrounding walls or obstructions.

70 and 90 Series Holders/Stops

Heavy Duty Surface Overhead Door Holders/Stops

70 SERIES

Application

Glynn-Johnson 70 Series holders and stops offer rugged durability and ease of installation. The surface-applied door and jamb brackets provide reliable door control, yet require minimal door and frame preparation.

Features

- Non-handed
- Single- Acting Doors
- Interior/ Exterior Applications

Surface Overhead Door Holders/Stops

90 SERIES

Application

Glynn-Johnson 90 Series door holders and stops are the most rugged models available for heavy-duty applications. The channel is surface-mounted to the door, most often with sex bolts, and the jamb bracket is surface mounted to the jamb, requiring minimal door and frame preparation.

Features

- Non-handed
- Improved Compatibility w/Door Closers
- Single-Acting Doors
- Interior/Exterior Applications
- Durable
- Easy to install
- Improved Corrosion Resistance
- Functional Conversion Kits
